

## Re-Enrolment 2024

---

Dear Parent / Guardian,

It is that time of the year where we need to update our records and find out which children will or will not be attending our centre in 2024. This information will assist our team members in planning programming for the New Year and filling spots for children on our waiting list.

It would be greatly appreciated if you could complete the information below and return this form to the centre by the **10<sup>th</sup> of November 2023**.

We thank you for your prompt reply and look forward to preparing your child for life in 2024.
